

# 2020 Kemppi Art of Welding Competition

## Send in a Photo of Your Art of Welding

We are pleased to announce an exciting competition for anybody involved with the “art of welding”, including welders, apprentices, welding teachers, welding researchers, welding students, welding hobbyists and artists working with metals.

All you need to do is send us a photo of a piece of “Welding Art” which you have created. What is welding art? - it could be a welded sculpture, a pattern design, a motif, an object - which must have been created by welding. The welding can be done manually or using more advanced techniques such as robotics, lasers, or friction welding.

### How to Enter

- Simply take a digital photo of your “welding art” with minimum 20 megapixel resolution.
- Include a digital photo of yourself - minimum 10 megapixel.
- In the email title bar insert “KEMPPPI ART OF WELDING COMPETITION”.
- You must include in the e-mail the following details:
  - Your full name and address
  - Your profession
  - A title for your piece of work
  - Include a very brief description of the welding art you have created and the date you created the work
  - Please confirm in writing that you have created the welding art in the picture

You must include the statements “In the event of my entry being selected, I give permission for my entry to be exhibited publicly” and “I declare the welding art to be my own work”.

Send by email to [Skettos@skettos.com.au](mailto:Skettos@skettos.com.au)  
Entries close at 1600hrs AEST on Wednesday 30th September.

For details on judging, prizes and terms & conditions please see the following page.

## Judging

The competition will be judged by a panel of 4 members of the Kemppi organisation. The successful entrants will be notified by Friday 9th October 2020 and their names published on Kemppi Australia's social media channels. Only the successful entrants will be notified. Any entries found to be the work of people other than the entrant will be voided.

## Prizes

The winning entrant will receive a DJI Mavic Mini Drone valued at \$AUD 799 plus a Kemppi Minarc Mig 200amp portable welding package.

The runner up will receive a DJI Mavic Basic Drone valued at \$AUD 599 complete with a Kemppi BETA90 X welding helmet.

3rd and 4th placed will each receive a Kemppi BETA90 auto darkening welding helmet.

The winning entries will be framed and displayed at Kemppi Australia headquarters in Sydney.

## Term & Conditions

To enter this competition you must be over the age of 18, and reside in Australia, Indonesia, Malaysia, New Zealand, Philippines, Singapore, Thailand or Vietnam.

Only one entry is permitted per person. No prize can be exchanged into cash in whole or in part.

The judges decision is final and will not be open to discussion.

Personal data provided in connection with the competition shall be handled in accordance with the currently applicable Privacy Act.

Kemppi Australia Pty Ltd is not responsible for any possible problems associated with data connections (e.g., outages) while participating in the competition or for any resulting lost submissions. Kemppi Australia is not liable for damages or expenses resulting from participating in the competition or from redeeming and using the prize. Kemppi Australia is not obligated to pay compensation if the winners cannot use the prizes themselves.
